SWISS PANORAMA EXPRESS

Swiss Landscapes

Group exhibition

June 23rd - July 25th

Opening: June 25th at 6pm

„Swiss Panorama Express“

The practice of landscape painting is rooted in antiquity. In Switzerland, where nature and mountains are part of national culture, landscapes are often illustrated in arts. In our exhibition "Swiss Panorama Express" ten artists show their perception of Swiss landscapes through paintings, collages or photographs. Their work shows enhanced views of Switzerland and allows one to travel without moving.

Opening Times:

Monday to Friday: 10am-7pm

Saturday: 11am-4pm
